ABOUT ME

Detail-oriented Front-End Developer with over 5 years of experience in HTML, CSS, and JavaScript, and more than 1 year of expertise in React.js. Skilled in both independent and collaborative work, with a strong focus on developing responsive landing pages and dynamic websites.

WORK EXPERIENCE

- **Web Developer** Dubai, UAE
SKYGURU TRAVEL - TOURISM CO. L.L.C Apr/2024 - Present
Responsible for creating and maintaining the company profile website, optimizing it for SEO, and contributing to the digital marketing efforts.
- **Chief Technology Officer (CTO)** Dhaka, Bangladesh
DEENCOMMERCE LTD Sep/2020 - Mar/2024
I developed and maintained the clothing brand's eCommerce website (www.deencommerce.com) from scratch, managed servers and load balancing, and led digital marketing initiatives, including Facebook Ads, Google Ads, and email marketing.
- **Front End Web Developer** Jashore, Bangladesh
MYLIGHTHOST LLC Jan/2018 - Jan/2019
I designed responsive web interfaces using HTML, CSS, and JavaScript while collaborating with backend teams. I optimized website performance for faster load times and SEO, ensuring cross-browser compatibility and mobile responsiveness.
- **Web Development Assistant Instructor** Jashore, Bangladesh
JCF TECHNICAL INSTITUTE (JTI) Feb/2016 - Dec/2017
I served as an Assistant Trainer of Web Development, where I trained students in HTML, CSS, and basic JavaScript to help them build responsive websites.
